

# ELITEGROUP CONTRACTING

Our multi-phase system ensures the high quality of our searches. We employ a multi-step process to ensure the optimal quality of our searches. In addition to the technical skills, the candidate's personality and non-technical abilities are, of course, considered throughout the selection process.

We understand that each organization's IT needs are unique. That's why ELITEGROUP offers a premium service that goes beyond conventional recruitment. Our team of seasoned experts takes the time to comprehend your specific requirements, delivering customized staffing solutions that align seamlessly with your objectives.

## GLOBAL LEADERS IN IT & FINANCE RECRUITMENT

At ELITEGROUP, we are at the forefront of revolutionizing the realm of IT contracting recruitment on a global scale. Our unwavering mission is to seamlessly bridge exceptional IT professionals with the most esteemed and lucrative opportunities available worldwide.

Our distinct approach to IT contracting recruitment sets us apart. When you choose to collaborate with us, you gain access to a world of advantages that can significantly enhance your IT career or meet your organization's staffing needs.

## GLOBAL REACH, PERSONAL TOUCH

The contracting branch of ELITEGROUP is our consulting and services entity. We are capable of providing external consultants to assist and advise you in your needs, offering a high level of knowledge and expertise for both short-term and long-term assignments.

Our mission is to find the experts that match your needs from our pool of specialist freelance/consultant contractors.

We provide you with expert support from the beginning of your project until its completion, allowing you to access the assistance you require at every stage.

## WE CAN HELP YOU WITH THE FOLLOWING

### CONTRACTING

1

**Harness the flexibility of contract staffing to meet project demands, cover temporary gaps, or evaluate potential long-term hires. We provide skilled contractors ready to make an immediate impact.**

### PAYROLLING

2

**If you already have consultants and want to bring them together within the same service company, we are capable of accommodating your consultants by providing high-quality service (TS digital, customized contracts, favorable rates).**
